Book your COVID-19 vaccine online

All South Australians aged 12 years and over are eligible to book an appointment for COVID-19 vaccines.

More appointments are being added as more vaccine becomes available. If you cannot find an appointment now, please try again later or look for an alternative vaccination clinic.

Give yourself the best protection from COVID-19

Two doses of the COVID-19 vaccine will give the best protection from COVID-19. When booking online, you can book your first and second appointment at the same time.
