Book a vaccine appointment in your language

You can now [book a vaccine appointment](#) in 15 languages other than English. Visit the [Vaccine Clinic Finder](#), select from the languages at the top of the page, and follow the simple steps to make a booking.

If you need help booking in a different language, call the [Translating an Interpreting Service \(TIS\)](#) on 131 450 to speak to a translator.

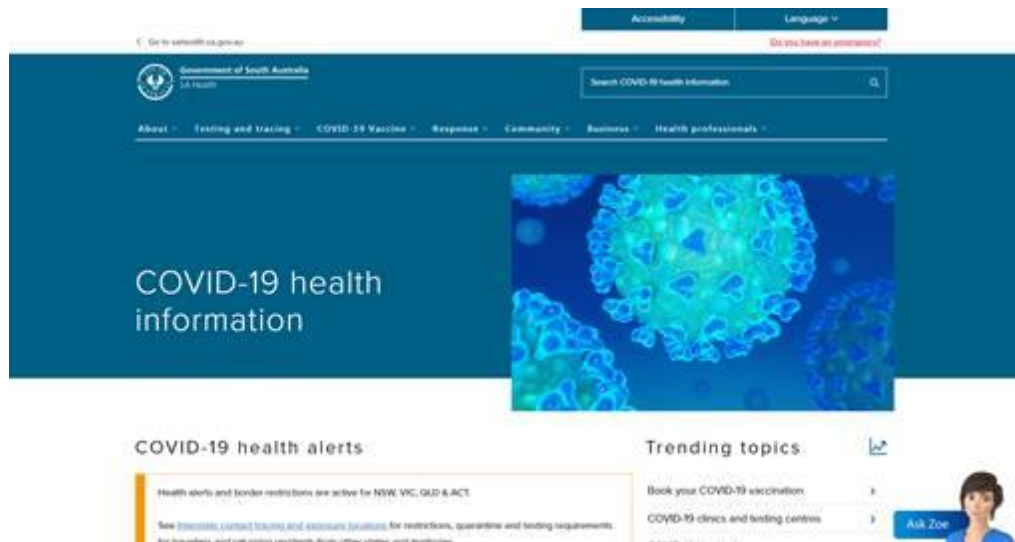

Vaccination is the best way to protect yourself and your family from COVID-19.

Translate the SA Health website

To make it easier to understand information about COVID-19, the [SA Health website](#) is available in more than 100 languages. Click on the “Language” menu at the top of the page and find your preferred language. The text on the website will then be translated for you.

Some languages, including English, are also available as a spoken voice (audio) for you to listen to.

Training – Building Vaccine Confidence

Wellbeing SA is running online sessions for community leaders, to help them deliver positive messages about the COVID-19 vaccines.

The training will help you to have conversations with individuals and communities who are unsure about receiving the vaccine.

Register for the free training sessions in October and November:
